

Our world is hungering for women who are ready and willing to live with our loving God in the spirit of the Servants of the Holy Heart of Mary.

God is waiting for you in this time and in this place.

We welcome your courage to step forward in faith.

# WALK A NEW Path

Servant Companions of the  
Servants of the Holy Heart of Mary

# Enkindling a Prophetic Response

You are *invited* **TO WALK** in Companionship with the Servants of the Holy Heart of Mary.

Servant Companions walk in the traditions of the Servants of the Holy Heart of Mary. Together we will be risk-takers looking forward with energy and faith.

**Pray with us.**

**Live with us in Community.**

**Serve Jesus with us.**

Servant Companions are single women 18 years of age and older who have a passion for living out their Baptismal call by making a promise to live in the spirit of the Vows of Poverty, Chastity and Obedience. Servant Companions may renew this commitment yearly up to five years.

Are you ready to walk this new and exciting path? Together we are enkindling a prophetic way of walking in faith, giving of self and sharing life as a family.

Pray with us. Live with us in Community. Serve Jesus with us.
